

SCOUT VIEWBOOK

FLORIDA INTERNATIONAL UNIVERSITY

FILMING ON CAMPUS

Thank you for your interest in using Florida International University for your upcoming film, video or photography production. Our stunning campuses present a wide variety of location possibilities. Included are images of FIU's natural areas, distinctive buildings, S.T.A.R. Center (hospital setting), conference rooms, lobbies and auditoriums. The Office of External Relations will coordinate all University related services, making your location shoot run smoothly.
